

Beaulieu

Welcome to Beaulieu

Situated in the heart of the New Forest, Beaulieu offers you a versatile and unusual venue for an event with a difference. With a range of attractions guaranteed to satisfy a variety of interests, Beaulieu is an ideal destination for Family Fun Days in the New Forest.

With a stately home, a world famous motor museum and a 13th century abbey surrounded by picturesque gardens, there are over 800 years of heritage to be seen at this well established venue.

National Motor Museum

From the earliest motor carriages to classic family saloons, the world-famous National Motor Museum has one of the finest collections of cars, motorcycles and motoring memorabilia in the world.

From legendary F1 cars and land speed record breakers for the speed freaks, to incredible examples of pioneering motoring for the history-buffs. If you time it right you'll even hear vehicles starting up!

Beaulieu Abbey

Owing to the efforts of the Montagu family ancestors, distant relations of these former kings, the now tranquil Abbey is a conserved ruin where generations of visitors have enjoyed its peaceful setting and appreciated the achievements of its medieval builders.
